**HON MINISTERS
HON GOVERNORS
YOUR WORSHIP THE MAYORS
CHAIRPERSONS OF BOARDS**

Attention: All Accounting Officers

**SUBJECT: DIRECTIVE ISSUED IN TERMS OF SECTION 72 OF THE PUBLIC
PROCUREMENT ACT, 2015 (ACT NO. 15 OF 2015) ON RESERVATION
TO LOCAL SUPPLIERS**

1. In terms of Section 72 of the Public Procurement Act, 2015, all Public Entities are hereby directed to reserve the procurement of vehicles to Peugeot Opel Assembly Namibia.
2. The Peugeot Opel Assembly Namibia (POAN) plant has produced 28 cars that are ready for sale. While offtake agreements are in place for the plant's output, the sale of vehicles as per such agreements has not been able to commence due to the current customs arrangement.
3. The Public Procurement Act, 2015 aims to achieve several objectives, in particular, Section 2(b)(iii) of the Act aims:

to promote, facilitate and strengthen measures that implement the empowerment and industrialization policies of Government, including sourcing of goods manufactured, mined, extracted or grown in Namibia.
4. In line with this object and the need to support the local car manufacturing industry, all public entities wishing to procure vehicles are directed to restrict procurement to the locally manufactured Peugeot 3008 and Peugeot 5008 vehicle models until such vehicles are exhausted.

5. The vehicles specifications, pricing, after-sales service and spare parts detailed conditions are attached hereto for your reference.
6. Public entities are discouraged from procuring vehicles of similar specifications from elsewhere, unless the 28 vehicles from Peugeot Opel Assembly Namibia (POAN) plant have been exhausted.

Yours faithfully,

CALLE SCHLETTWEIN, MP
